2026 EDITION

BEST TOURISM VILLAGES BY UN TOURISM

A scenic landscape featuring snow-capped mountains in the background, a village with a church spire in the middle ground, and several colorful hot air balloons floating in the sky. The foreground shows a dark, plowed field.

The General Presentation (to be uploaded in Field 3.9. of the Online Application Form) should be a “**summary**” of the candidacy. This is a good opportunity to stress the most relevant initiatives and highlights of the village, so applicants are invited to make it as visual as possible (use bullet points, relevant pictures, etc.) to showcase the information provided in the **Areas of Evaluation** (section 4 of the Application Form).

Keep in mind that this template is only a suggestion of how the information to be presented should be structured. Be **creative** to present the most relevant information in a concrete and orderly way.
